

Dear Parent/Guardian:

We hope that your child has enjoyed their experience with The First Tee of Greater Charleston's Core Program this season. In our continued effort to improve our programs we would like to solicit your feedback about your child's participation. The First Tee nationally has created a review tool known as "Good-Better-How" to use with its staff and participants; we would like to employ the same system for The First Tee of Greater Charleston. You may return this form via mail or email to:
