April 15, 2022

Dear First Tee Families,

I wanted to share with you that after extensive research by our Program Committee as well as a parent and guardian interest survey, our Board of Directors has approved an increase to our Core Program prices (effective Summer 2022) from \$50 per season to \$60.

We want to bring our Core Program to as many young people as possible, and we have waitlists across many locations. Program fees only cover a portion of the actual program cost, and we are able to reach as many kids and teens as we do because of our generous donors and volunteers who help to offset program costs. This increase will help us create more opportunities each season for more young golfers.

Please know that we will still offer full scholarships to all military families, families in need, and students from other local non-profits. Our financial aid application is seamlessly integrated into the online registration process, and before accepting payment, each family is asked if they would like to apply for financial aid. If your family is in need, please do not hesitate to apply.

Should you have any questions or concerns about this increase or any other aspect of First Tee, please email me.

Sincerely,

Meghan Taylor
Program Director
First Tee – Greater Charleston
